**REQUEST FOR CERTIFICATE OF
CORRECTION DUE TO PATENT OFFICE ERROR**

Sir:

Applicant has noted typographical errors in the recently issued patent, U.S. Patent No. 7,587,125 B2.

The following columns require correction of listed errors:

Column 1, line 17, change "hand Led" to --handled--

Column 12, line 50, change "clue" to --due--

These mistakes were not noted by the Applicant or the Examiner during the prosecution of the above captioned patent, and Applicant wishes at this time to correct these obvious typographical errors in the claims.

These errors are believed to be of "minor character" and the correction of these mistakes do not in anyway alter nor materially affect the scope or meaning of the patent or the present inventorship.

Applicant, therefore, pursuant to 37 CFR §1.322 and MPEP §1480, requests that a Certificate of Correction be issued in accordance with the form PTO/SB/44 submitted herewith.

Authorization To Charge Necessary Fees

Because these errors resulted from the Office, it is expected that no fee is required. However, the Commissioner is hereby authorized to charge any additional necessary fees associated with this submission, or credit any overpayment, to Deposit Account No. 50-0289.

Respectfully submitted,
